LANGUAGES

- Dutch (native)
- English (fluent)
- French (basic)

SKILLS

- Java
- Python
- Javascript
- Web development
- HTML & CSS
- GIT
- SQL

ACTIVITIES

In my spare time, I love to play football, which has helped me develop as a team player.

Listening to English podcasts keeps my English language skills sharp.

Listening to and playing music is also an outlet for my creativity and helps me decompress away from my computer.
